

Creating PDF files of your HORTICOPIA® Documents

Create PDF files of your documents in 3 easy steps.

1. Click on "File",
2. Click on "Print Preview" and select one of the 3 options.
3. Click on the "Save as a PDF" button, (which is located in the bottom left hand corner), and pick a Location to save, enter a File Name, and then select Save.

Now you can email your PDF document, burn it to a CD, or save it for later to print with Adobe® Acrobat®.
